

**RENA AHUJA MD**

**PRESCRIPTION REFILL POLICY**

The patient is responsible for knowing when medication(s) will need to be refilled. The specific protocol is outlined below. All patient are requested to acknowledge that they have read the protocol and agree with its requirements.

- Please call your pharmacy or our office (during business hours ) for refill request.
  
- Please allow at least 48 -72 business hours to process a refill request.
  
- Non-controlled / non- narcotic prescriptions require a follow up appointment every 3- 6 months.
  
- Controlled-substances/narcotic prescriptions require a follow up appointment every 30-90 days.
